# LETTER FROM THE CHIEF EXECUTIVE BOSS BABE

Greetings!

I am writing to invite you to become a trusted partner with Boss Babe Networking, one of the fastest growing networks for women of color in the region. This year, we are inviting businesses and organizations to help us transform for our community, empower women and girls, and combat domestic violence.

Our sponsors will have a unique opportunity to invest into cultural enrichment and leadership development opportunities led by Boss Babe Networking. Boss Babe Academy aims to provide young women with the skills, tools, and support they need to succeed.

We would love your support of our program. Join us in shaping the future of women in our community.

Warm regards,  
Kristen Faith Sharpe, CEO of Boss Babe Networking
